REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The art of record (considered as a whole) neither anticipates nor renders obvious a method of processing first and second work pieces comprising the steps of positioning a plurality of clamp devices around the work piece location, providing each clamp device with a lower clamp unit and an upper clamp unit, providing the lower clamp unit of each clamp device with a pair of lower jaws, at least one of the lower jaws being pivotally mounted near its proximal end for rotational movement about a first pivot axis relative to the other of the lower jaws between a clamped position and an unclamped position, providing the upper clamp unit of each clamp device with a pair of upper jaws, one of the upper jaws being pivotally mounted near its proximal end for rotational movement about a second pivot axis relative to the other of the upper jaws between a clamped position and an unclamped position and mounting the other of the upper jaws on the pivotally mounted lower jaw for travel therewith along with the rest of the claimed limitations set forth in the independent claim.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
